TRANSACTION SUCCESSFULLY COMPLETED

To Whom it may Concern:

My name is Jack Antoine, I am currently incarcerated Federal Correctional Institution, Tallahassee, Florida. My Sentence began July 28<sup>th</sup> 2014. I was Sentence to 48 months.

I am writing this letter in concern for a Sentence Reduction. I have one child that needs me. And at this time she resides with my mother who is disable and who has been recently diagnose with breast cancer for the second time. Her condition isn't good. My mother is the only person that is Supporting my disable daughter at this time. My mother and daughter needs me home.

Since being incarcerated I have used my time wisely. I have sought out programs to assist in my Life Style Change, at this point I have completed and is still enrolled in different programs. I have included my Educational Transcripts for you to go over these programs are only part of a wonderful Accomplishment. I have maintained a job since arriving here at F.C.I Tallahassee. Although quite challenging at times. I have found it comforting that I have worked on the Compound. I have a current position in facilities working in the paint shop doing general maintenance. I enjoy working Very much.

My plea today is that you would take into consideration my Rehabilitation that I have completed. Also the condition of my mother and the care of my daughter.

I would like for your reconsideration of my Sentence with my accomplishments

I do Thank you for your time and would greatly Appreciate Any Attention in recognizing my life style change and grant me a reduction in Sentence.

Thank you for any and all consideration that you can render.

Sincerely

JADA Antoine
